WHAT IS TRADITIONAL IRISH SODA BREAD?

If you search the internet using the term “Traditional Soda Bread”, an amazing number of recipes will appear. 98% of them provide incorrect information; some suggest you can use honey, sugar, eggs, raisins, or even caraway seeds in Traditional Irish Soda Bread. There is nothing wrong in using those ingredients in Soda Bread, but they’re NOT Traditional Irish Soda Bread!

Would “French Bread” still be the same if whiskey, raisins, or other such ingredients were added to the mix? Of Course not! The same is true of Irish Soda Bread.
